

SENSATIONS

A low-angle shot of a roller coaster track against a sunset sky. The track features several loops and drops, with the sun setting behind the horizon, creating a warm orange glow. The sky is a mix of blue and orange hues.

WE 2

A low-angle shot of a roller coaster track against a clear blue sky with a few wispy clouds. The track curves upwards and then downwards, with the support structure visible. The text is overlaid on this background.

MULTI-ACTIVITÉS

A low-angle shot of a roller coaster's tracks, showing several loops and curves. The tracks are dark and silhouetted against a bright sky with soft, colorful clouds from a sunset or sunrise. The perspective makes the tracks appear to rise steeply and twist.
